(1) A franchisee shall construct and maintain its facilities in accordance with all applicable federal, state and local laws, including all permit requirements, and fee payments, and all other Louisville Metro codes and ordinances in effect as of the date of the award of its franchise or thereafter adopted to the extent not in contravention of state or federal law. The grant of a franchise does not in any way affect the continuing authority of Louisville Metro through the proper exercise of its Home Rule or statutory powers to adopt and enforce ordinances necessary to provide for the health, safety and welfare of the public. Louisville Metro makes no express or implied representation or warranty regarding its rights to authorize the installation or construction of facilities on any particular segment of rights-of-way. The burden and responsibility for making all such determinations in advance of construction or installation shall be entirely upon the franchisee. The use of the rights-of-way authorized by any franchise shall in all matters be subordinate to Louisville Metro's use and rights therein. Without limiting the generality of the foregoing:

(a) All rights and privileges granted herein are subject to the police powers of Louisville Metro and its rights under applicable laws and regulations to regulate the construction, operation, and maintenance of franchisee's system, including, but not limited to, the right to adopt and enforce additional ordinances and regulations

(c) Franchisee shall not be excused from complying with any of the requirements of this Ordinance or any subsequently adopted amendments to this Ordinance, by any failure of Louisville Metro on any one or more occasions to seek, or insist upon, compliance with such requirements or provisions.

(d) If federal or state law alter the required services, fees, costs, conditions or standards upon which the Communications System is to operate, Louisville Metro shall have the right to amend this Ordinance to make it consistent with the modified federal or state laws.

(O) *Interest on late payments and under payments.* If any Communications Franchise Fee, or any portion thereof, is not received by Louisville Metro on or before the due date, interest thereon shall accrue from the due date until received, at the rate of 1.5% per month, unless such other maximum rate is established by applicable law.

accompanied by a statement (a "Fee Statement") showing the manner in which the Communications Franchise Fee was calculated. Within 90 calendar days following the end of the calendar year, each franchisee shall submit a statement, certified as true, setting forth the amount of linear foot and antennae within the facilities provided, however, that in the event that a franchisee ceases to provide service for any reason (including as a result of a transfer), such franchisee shall provide such a statement within 30 calendar days after the date on which its operations in Louisville Metro cease.

(Q) *No accord and satisfaction.* No acceptance by Louisville Metro of any Communications Franchise Fee or any other payment shall be construed as an accord that the amount paid is in fact the correct amount, nor shall acceptance of any Communications Franchise Fee or any other payment be construed as a release of any claim of Louisville Metro.

(R) *Description of service.* During the term of the franchise, franchisee shall provide Louisville Metro with a description of any material changes to the types of Communications Services offered within Louisville Metro during the prior year. Any individual service or item for which the franchisee has a separate charge shall be considered a separate service.

(S) *Communications franchise fee not a tax; payment of taxes.* The Communications Franchise Fee is compensation for the use of the rights-of-way and shall in no way be deemed a tax of any kind. The Communications Franchise Fees required herein shall be in addition to, not in lieu of; all taxes, charges, assessments, licenses, fees and impositions otherwise applicable that are or may be imposed by

Louisville Metro. A franchisee shall be fully responsible for the payment of all applicable taxes.

(T) *Assignment of franchise.* A franchisee shall provide Louisville Metro with written notice of any transfer of the Franchise. A franchisee shall not sell, assign, sublet, dispose of or otherwise transfer a franchise (or any of the rights or privileges granted by such franchise) to another entity, without the prior written consent of Louisville Metro. Louisville Metro's consent to such a transfer shall not be withheld if the entity would have qualified for an original Franchise had it applied and if the entity demonstrates it has the same insurance policies and bonds in place as is required of the original franchisee. Nothing in any approval by Louisville Metro of any transfer pursuant to this section shall be construed to waive, release or delegate any rights or powers of Louisville Metro to hold the original Franchisee liable for any violation of its franchise.

(U) *Forfeiture of franchise and privilege.* In case of failure on the part of a franchisee, its successors and assigns, to comply with any of the provisions of this Ordinance or its franchise, or if the franchisee, its successors and assigns, should do or cause to be done any act or thing prohibited by or in violation of this Ordinance or the terms of its franchise, the franchisee, its successors and assigns, shall forfeit all rights and privileges permitted by this Ordinance and its franchise, and all rights hereunder shall cease, terminate and become null and void, provided that said forfeiture shall not take effect until Louisville Metro shall carry out the following proceedings: Before Louisville Metro declares the forfeiture or revocation of a franchise, it shall first serve a written notice upon the franchisee, setting forth in detail the neglect or failure

complained of, and the Company shall have 30 day thereafter, or such other reasonable period established by Louisville Metro, in which to cure the default by complying with the conditions of its franchise and fully remedying any default or violation. If at the end of such 30 day or other reasonable period, Louisville Metro determines that the conditions have not been complied with, Louisville Metro shall take action by an affirmative vote of a majority of the Council present at the meeting and voting, to terminate the franchise, setting out the grounds upon which the franchise is to be forfeited or revoked. Nothing herein shall prevent Louisville Metro from invoking any other remedy available at law or in equity.

(V) *Security for payment of fees.* Every franchisee shall provide to Louisville Metro an irrevocable letter of credit in the amount of \$25,000 or one half of the annual franchise fee owed, whichever is less, to secure the payment of the Communications Franchise Fee for the first two years of the franchise. After which, if there has been no default in paying the franchise fee nor any late payment of the franchise fee, the letter of credit shall be released.

(W) *Special rules for governmental entities.* Nothing herein requires Louisville Metro to apply the provisions of this Ordinance to a governmental entity if Louisville Metro determines that it is not in the public interest to do so, and nothing in this Ordinance shall be read to require a governmental entity to comply with this Ordinance where Louisville Metro cannot enforce the Ordinance against such entity as a matter of law. Louisville Metro is authorized to enter into agreements with other governmental agencies to facilitate Louisville Metro's use and management of the rights-of-way, and

such agreements shall be enforceable according to their respective terms and notwithstanding any provision of this Ordinance.

Any and all licenses and other authority which: (1) Louisville Metro may have extended to any person prior to the effective date of this Ordinance to erect, install, maintain, operate, repair, replace, remove or restore Communications Facilities or provide Communications Services by use of facilities in the rights-of-way in Louisville Metro; and (2) are expressly revocable at the will of Louisville Metro, are hereby revoked and deemed null and void as of 11:59 p.m. Eastern Standard Time on the date which is 90 days after the effective date of this Ordinance. Within 90 days after the effective date of this Ordinance, any person holding such revocable license or other authority may file an application for a

Communications Franchise and, by doing so, shall be deemed granted a temporary license to continue erecting, installing, maintaining, operating, repairing, replacing, removing and restoring Communications Facilities or providing Communications Services by use of facilities in the rights-of-way in Louisville Metro under the same terms and conditions during the pendency of such application. Upon award or denial of the Communications Franchise for which such person applied, all authority under which such person was erecting, installing, maintaining, operating, repairing, replacing, or removing facilities or providing Communications Services by use of facilities in the rights-of-way in Louisville Metro as of the effective date of such award or denial shall be deemed immediately revoked, null and void without further notice as of the effective date of the award or denial of the Communications Franchise.

(B) Existing franchises. No telecommunication franchise previously granted shall be revoked or terminated by this amended Ordinance, but the holder of any prior franchise shall be entitled to apply for a new franchise hereunder and shall not be required to pay a new application fee. Upon written request to Louisville Metro such previous franchise holder shall be automatically deemed to have complied with all application and qualification requirements hereunder. Upon grant of a new franchise, the holder of a prior franchise may surrender the prior franchise and receive a pro rata credit for any fees paid under the prior franchise against any costs, bond requirements or charges assessed under the new franchise.

(C) Transitional provisions to be narrowly interpreted. It is the intent of Louisville Metro to apply the provisions of this Ordinance to Communications System

operators, including local exchange carriers that now occupy or may in the future occupy rights-of-way, except to the extent federal or state law prevents it from doing so.

§ 116.75 PRIVATE COMMUNICATIONS FACILITIES.

(A) Application for license. A person wishing to erect, install, maintain, operate, repair, replace, remove or restore a Private Communications System in the rights-of-way must obtain a license therefore from Louisville Metro's Public Works and Assets Department. Such license shall only authorize placement of the Private Communications System in a specific portion of the rights-of-way for a limited period of time and for a specific purpose in connection with the person's business and shall not permit the provision of Communications Service to any other person. Such person shall submit an application to the Public Works and Assets Department on such form as may be developed by the Public Works and Assets Department, accompanied by such application fee as may be determined by Louisville Metro.

(B) Conditions of license. Any license shall be subject to such conditions as Louisville Metro may from time to time establish, shall be expressly subordinate to the use of the rights-of-way by Louisville Metro and franchisees, and shall otherwise conform to the requirements of this Ordinance.

(C) Compensation. A Private Communications System Owner shall pay a fee established by Louisville Metro from time to time to reflect the fair market value of the property used.

§ 116.76 LIABILITIES AND PENALTIES.

Except as expressly stated in this Ordinance, the express or implied repeal or amendment by this Ordinance of any other ordinance or part thereof shall not affect any liabilities accrued, penalties incurred or proceedings begun prior to the effective date of this Ordinance. Those liabilities and penalties are continued, and penalties shall be imposed and enforced under the repealed or amended ordinance as if this Ordinance had not been adopted.

§ 116.77 REMEDIES NOT EXCLUSIVE.

The rights and remedies of Louisville Metro and the franchisee as set forth in their franchise, or in this Ordinance, shall be in addition to and not in limitation of, any other rights and remedies provided by law or in equity.

§ 116.98 SEVERABILITY.

If any provision of this chapter as now or later amended or its application to any person or circumstance is held invalid, the invalidity does not affect other provisions that can be given effect without the invalid provision or application.

§ 116.99 PENALTY.

(A) Any person violating or failing to comply with any of the provisions of §§ 116.31 or ~~116.51~~ 116.50 shall be guilty of a misdemeanor, and shall be punished by a fine of not less than \$50 nor more than \$250 or by imprisonment for a term of not to

exceed 90 days, or by both such fine and imprisonment, except that a corporation shall be punished by a fine of not less than \$100 nor more than \$5,000.

(B) Each day that a person violates or fails to comply with the terms of §§ 116.31 or ~~116.51~~ 116.50 shall constitute a separate offense under this ordinance.

SECTION II. LMCO Sections 32.995 and 32.996 are hereby repealed.

SECTION III. This Ordinance shall take effect upon its passage and approval.
